

Dear Community Friend,

The Ree Wynn Foundation, a 501c3 Non-Profit organization, will host their annual **Journey to Healing Bowling Benefit** on **Sunday, March 10, 2019** at **Pinsetter Bar & Bowl, 7111 Maple Ave., Pennsauken, NJ 08019**. We anticipate over 200 attendees at this event. Tickets are \$30 per person. The event proceeds will support the efforts of the Ree Wynn Foundation to provide education, support patient care and research for treatment of the rare blood disorder Thrombotic Thrombocytopenic Purpura (TTP).

We graciously ask for your support in one of two ways:

Donations

We appreciate momentary donations and in-kind donations of goods or services for our Chance Auction. This will be an opportunity to extend the visibility of your product or services.

Sponsorship

Our sponsorship levels offer visibility opportunities to showcase your business or services. (The attached Sponsorship Commitment form outlines the various sponsorship levels and benefits.)

The Ree Wynn Foundation was founded in 2012 in response to the sudden and unexpected loss of our family member Reeshemah Wynn to TTP. Thrombotic Thrombocytopenic Purpura is a life-threatening blood disorder that causes blood clots to form in small blood vessels around the body and leads to a low platelet count. The clots can limit or block the flow of oxygen-rich blood to the body's organs, such as the brain, kidneys, and heart. Without early diagnosis and immediate treatment TTP has a mortality rate of 80%. Visit www.reewynn.org to learn more about us.

Please consider joining many prominent businesses, hotels, restaurants and community groups by donating to this event. **Your donation will impact the lives of individuals affected by this rare and fatal disorder.** All supporters will receive acknowledgment at the event, our website and social media presence.

For additional information regarding Sponsorships or Donations, please contact Vicki Nicolls at 856-261-4541 or reewynnfoundation@gmail.com.

On behalf of our Board Members and volunteers, we thank you for supporting the Ree Wynn Foundation mission to enhance the quality of life of those living with the disorder.

Sincerely,

Vicki Nicolls
Co-Founder/President
