**SPONSOR COMMITMENT FORM**

The Ree Wynn Foundation invites you to participate as a Sponsor for our Annual “Journey to Healing” Bowling Benefit. The event proceeds will help support the efforts of the Ree Wynn Foundation to provide education, support patient care and research for treatment of the rare blood disorder Thrombotic Thrombocytopenic Purpura (TTP).

TTP is a life-threatening disorder whose mortality rate exceeds 80% in the absence of rapid and appropriate diagnosis and treatment. It causes blood clots to form in small blood vessels around the body and leads to a low platelet count. The clots can limit or block the flow of oxygen-rich blood to the body's organs, such as the brain, kidneys, and heart. Visit [www.reewynn.org](http://www.reewynn.org) to learn more.
